Michelle Branch, I'm Feeling You

Sometimes, I imagine the world without you
But most times, I'm just so happy that I ever found you
It's a complicated web, that you weave inside my head
So much pleasure with such pain
Hope we always, always stay the same

I'm feelin' the way you cross my mind
And you save me in the knick of time
I'm ridin' the highs, I'm diggin' the lows
Cause at least I feel alive
I've never faced so many emotional days
But my life is good
I'm feelin' you
I'm feelin' you

You go, and then I can finally breathe in
Cause baby I know, in the end you're never leavin'
Well we're rarely ever sane, I drive you crazy and you do the same
But your fire fills my soul
And it warms me up like no one knows

'Cause I'm feelin' the way you cross my mind
And you save me in the knick of time
I'm ridin' the highs, I'm diggin' the lows
Cause at least I feel alive
I've never faced so many emotional days
But my life is good
I'm feelin' you
I'm feelin' you

[guitar solo]

I'm feelin' the way you cross my mind
And you save me in the knick of time
I'm ridin' the highs, I'm diggin' the lows
Cause at least I feel alive
I've never faced so many emotional days
I'm feelin' you
I'm feelin' you
I'm feelin' you
Oh I'm feelin' you

Oh I'm feelin' the way that you cross my mind
And the way that you save me in the knick of time
Oh I'm feelin' the way when you walk on by
I feel light, I feel love, I feel butterflies
I feel butterflies
