

# Michelle Branch, Place Nearby

I entered the room  
Sat by your bed all through the night  
I watched your daily fight  
I hardly knew  
The pain was almost more than I could bear  
And still I hear  
Your last words to me.

Heaven is a place nearby  
So I won't be so far away.  
And if you try and look for me  
Maybe you'll find me someday.  
Heaven is a place nearby  
So there's no need to say goodbye  
I wanna ask you not to cry  
I'll always be by your side.

You just faded away  
You spread your wings you had flown  
Away to something unknown  
Wish I could bring you back.  
You're always on my mind  
About to tear myself apart.  
You have your special place in my heart.  
Always

Heaven is a place nearby  
So I won't be so far away.  
And if you try and look for me  
Maybe you'll find me someday.  
Heaven is a place nearby  
So there's no need to say goodbye  
I wanna ask you not to cry  
I'll always be by your side.

And even when I go to sleep  
I still can hear your voice  
And those words  
I never will forget
