

Michelle Branch, Place Nearby

I entered the room
Sat by your bed all through the night
I watched your daily fight
I hardly knew
The pain was almost more than I could bear
And still I hear
Your last words to me.

Heaven is a place nearby
So I won't be so far away.
And if you try and look for me
Maybe you'll find me someday.
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side.

You just faded away
You spread your wings you had flown
Away to something unknown
Wish I could bring you back.
You're always on my mind
About to tear myself apart.
You have your special place in my heart.
Always

Heaven is a place nearby
So I won't be so far away.
And if you try and look for me
Maybe you'll find me someday.
Heaven is a place nearby
So there's no need to say goodbye
I wanna ask you not to cry
I'll always be by your side.

And even when I go to sleep
I still can hear your voice
And those words
I never will forget
