

# Michelle Branch, Something To Sleep To (Full Version)

She's his yellow brick road  
Leading him on and letting go as far as far as she lets him go  
Going down  
to nowhere

She puts on her make up  
The same way she did  
Yesterday  
Hoping everything's the same  
But everything has changed

[chorus]  
In my mind  
Everything we did was right,  
Open your eyes  
I'll still be here by your side  
How could I ever have been so blind  
You give me something to sleep to  
at night

(something to sleep to at night)

He wakes up to the sound  
so scared that she's leaving  
he wishes she were still asleep  
next to him  
hopin' she will change

[chorus]  
You give me somethin to sleep to  
and all I know is  
You give me something to dream to

don't leave me now, don't leave me now

Don't leave me now, don't leave me now  
Don't leave me now, don't leave me now  
(repeats)
