

# Michelle Branch, Without Me

(Obie Trice real name no Gimmicks)

Two trailer park girls go 'round the outside, round the outside, round the outside (2x's)

Guess who's back... back again... Shady's Back... Back again... Guess who's back guess whos ba

I've created a monster  
cuz nobody wants to see Marshall no more  
They want Shady I'm chopped liver,  
Well if you want Shady this is what I'll give 'ya  
A little bit of weed mixed with some hard liquor  
Some vodka that'll jumpstart my heart quicker than a shock  
when I get shocked at the hospital by the docter  
when I'm not cooperating  
when he's rockin' the table while he's operating

You waited this long now stop debating  
Cuz I'm back,  
I'm on the rag and ovulating  
I know that you got a job Ms. Cheney  
but your husbands heart problem's complicating

So the FCC won't let me be or let me be me or let me see  
they tried to shut me down on MTV  
but it feels so empty without me, so  
come on dip  
bum on your lips fuck that rub your dicks and wiggle your tits  
and get ready cuz this shits about to get heavy  
i just settled all my lawsuits FUCK YOU DEBBIE!!!!

Chorus:  
Now this looks like a job for me so everybody just follow me  
cuz we need a little, contreversy  
cuz it feels so empty without me  
i said this looks like a job for me so everybody just follow me  
cuz we need a little, contreversy  
cuz it feels so epty without me

Little hellions,  
Kids feelin' rebellious embarrassed their parents still listen to Elvis...  
They start feelin' like prisoners helpless, 'till someone comes on a mission and yells
