

Michelle Featherstone, Rest of my life

Here we are,
Staring straight into tomorrow's eye's,
What do you see?
Can you see the same as me?
We hold hands,
We take walks and talk,
And laugh about things.
I'll tell you what,
This could be the way,
That every day was meant to be.

Chorus:

I don't want to go,
I don't want to stay one night,
Or one day.

So i'll stay the rest of my life.

I don't want to leave,
I don't want to be one night,
Or one day.

So i'll stay the rest of my life

How 'bout that,

Waking up every morning with me.

Spend our time drinking coffee,

Speaking softly as the days go by.

[Chorus}

The rest of my life

[repeat]

Let's just let it start

[repeat x 2]

[Chorus x 2]

The rest of my life...
