

Michelle McManus, How Can Sorry Ever Mend a

How can sorry ever mend a broken heart?
What can I say when words can't make it better?
What do I do when I can't forgive myself for what I've done?
Where can I go where memories aren't tearin' me apart?
How can sorry ever mend a broken heart?

How can I hope when everything is hopeless?
Why do I try when nothing I can do will bring you back?
Why do I dry my cryin' eyes when I know that tears will start?
How can sorry ever mend a broken heart?

You only ever treaded me so kind
Boy, I musta been stupid, out of my mind
I let you down one to many times
Now where can I go where memories aren't tearin' me apart
How can sorry ever mend a broken heart?

How could I have messed it up so bad?
Just throw away everything we had
Look in the mirror don't know who I am

What can I say when words can't make it better?
What do I do when I cant forgive myself for what I've done?
Where can I go where memories aren't tearin' me apart?
How can sorry ever mend a broken heart?
Why do I dry my cryin' eyes when I know that tears will start?
How can sorry ever mend a broken heart?
