

# Michelle Shocked, Blackjack Heart

I got a blackjack heart  
Now what you wanna bet  
That I'm over 21  
And your match you've met  
I got a blackjack heart  
And I'll cut you cold  
Gotta play your part  
Do you hit or do you hold?

Try to understand  
When I'm dealin with a man  
I'm a blackjack woman with  
a cool...slow...hand

I got a real raw deal  
And it made me mean  
I got a blackjack heart  
And a shufflin machine

Deal it from the top  
Baby don't you stop...
