

Michelle Shocked, Can't Take My Joy

Jealousy and anger
Greed and hypocrisy
The seasons of human nature
Can't take my joy from me

Joy Joy Joy Hallelujah

Crucified my Savior
On a hill for all to see
He rose up three days later
Can't take my joy from me

Went up on a mountaintop
Looking for the victory
I found it in the valley low
Can't take my joy from me

In this world but of this world
I will never be
I lift my eyes to glory
Can't take my joy from me
