

# Michelle Shocked, La Cantina El Gato Negro

an Miguel de Allende, State of Guanajuato  
Tourista friendly and welcomes gringos  
Yo hablo espanol poco, un poco  
But I speak English muchas bueno  
Yo hablo Ingles, si, muchas bueno

See the novia at la parroquia  
Across from the jardin where laurel trees grow  
Cross down a dark street to where honky cats meet  
There you will find a sign on the door  
La Cantina el Gato Negro

Ai yi yi yi  
The luckiest man alive  
Already died so long ago  
Ai yi yi yi  
So sad, so sweet, so high  
So dry your eyes and cry your grito in la Cantina el Gato Negro

She sits in a corner with an eye on her daughter  
Her daughter is making tips dancing on the bar  
To a band that shakes like a nervous old snake  
Keeping it's venom in a half empty jar  
La Cantina el Gato Negro
