

Michelle Shocked, My Little Sister

Oh she's a rocker she take after me
And she's a roller run in the family
She's a rock and roll baby a real gone twister
But I'm telling you, Mister
Don't you mess around with
My little sister, no
No, no

I don't know you
But I know your kind
I know I'm right
'Cause I can read your mind
Well I know you think
You can't resist her
But I'm telling you, Mister
Don't you mess around with
My little sister No
No, no

I promised the folks
I would not keep her out late
Because she's too young to party
Too young to date
Oh you take your hands off her
Find yourself another
Or you're gonna have to answer to
This Big Brother
Na na na na na na na
Na na

And now I tell you,
I ain't had fun all night
'Cause all you fellas
Keep trying to treat her right
Well she may blow your mind
Like an old transistor
But I'm telling you, Mister
Don't you mess around with
My little sister no
No No

I promised the folks
I would not keep her out late
Because she's too young to party
Too young to date
Oh you take your hands off her
Find yourself another
Or you're gonna have to answer to
This Big Brother
Na na na na na na na
Na na

Don't you mess around
Don't you mess around
Don't you mess around
Don't you mess around
Don't you mess around
Don't you mess around now
Don't you mess around with
My little sister now
