

Michelle Shocked, Steppin' Out

I'm stepping out
Lordy, lordy ain't no doubt
I'm stepping out
I want to sing
I want to shout
I want to be what the
Fuss is all about
I'm stepping out

I'm stepping high
I'm stepping low
I'm stepping anywhere
My footsteps care to go
First the heel and
Then the toe, oh
I'm stepping out

Don't you talk to me of no responsibility
Don't you go and pull that little pout
It ain't no use giving me your abuse
Because tonight I'm stepping out

I'm stepping east
I'm stepping west
I'm gonna put my
Toot-toot-tootsies
to the test
I'm gonna do what
I do best
I'm stepping out
