

# Michelle Williams, A Better Place (9.11)

Let me tell you I appreciate all the love and strength  
you've shown.

I know it's hard to keep a smile on your face,  
And nobody could eva' take their place.

Every mother, every sister/brother, every child that's now gone,  
I know they're smilin' looking down on your face.

In a better place, I'll hear them say.....

Can't nobody hurt me,

Can't nobody fade me, (oh no!)

I'm resting in a better place.

Can't nobody harm me,

Can't nobody touch me.

I'm resting in a better place.

I'll keep standing through the trial of life even if I  
stand alone.

Through the times when I feel I can't go on,

I feel a hand pusin' me upward.

Man, I don't have no time for haters, this journey  
will be love.

I'm in a much better state of mind.

And this is where I'll stay. A better place.....

Can't nobody hurt me,

Can't nobody fade me, (oh no!)

I'm resting in a better place. (oh no!)

Can't nobody harm me,

Can't nobody touch me. (oh no!)

I'm resting in a better place.

Can't nobody hurt me, (no more sorrows)

I'm okay now. (oh no!)

I'm resting in a better place.

I miss you. I'm always in your heart.

A better place.....

Can't nobody hurt me,

Can't nobody fade me, (oh no!)

I'm resting in a better place.(oh no!)

Can't nobody harm me,

Can't nobody touch me.(oh no!)

I'm resting in a better place.

Can't nobody hurt me,

Can't nobody fade me, (oh no!)

I'm resting in a better place.(oh no!)

Can't nobody harm me,

Can't nobody touch me.(oh no!)

I'm resting in a better place.
