

# Michelle Williams, Do You Know

## VERSE 1:

I hate to see you crying  
Seems like your world is torn apart  
Just know that God is faithful  
He'll heal your wounded heart

## PRE-CHORUS:

He knows the things that lie ahead, to come  
your way  
Keep standing on his promises believe in what he said

## CHORUS:

Do you know  
He is here  
He will never, (never let you down)  
Hold on, be strong, he will do  
Do just what He said

## VERSE 2:

I hate to see you crying  
It seems like you can't move on  
Just know that God is faithful  
He'll guide you through the storm

## PRE-CHORUS

## CHORUS

## BRIDGE:

Let him into your heart  
(Let him in, in your heart)  
He's knocking at your door so let Him in, so lift  
up your head ooh  
(Lift up your head) Up to the sky  
For in Him He has the power to change your life

## CHORUS
