

Michelle Williams, Til The End Of The World

Will you be my lover,
For sake, and all others?
Will you be my, my man?
And I will be your girl,
Even til the end of the world
E-Even til the end of the world (world)
E-Even til the end of the world (world)
Uh, Yeah, Turn the lights up
What if I lived in a mountain (mountain)
Surrounded my nothing but snow (but snow)
My only desire is that you be my fire
The light of my life and to keep me warm
Baby if I hopped on a plane
And told the pilot take me away
I wonder would you still remain, Oh
Would you stay with me?
Oh, Even til the end of the world
Oh, Would you still want me to be your girl
Oh, Would you be my lover
Forgetting all others
Even til the end of the world
E-Even til the end of the world
E-Even til the end of the world
Let's Go
What if they put me in prison (prison)
For reason that you'd never know (never know)
Would you stand beside me
And call me you're wifey
Would you love me forever or would you go?
Baby if I hopped on a plane
(What if I hopped on a plane)
And told the pilot take me away
(Take me away)
I wonder would you still remain, Oh
Would you stay with me? Oh
Oh, Even til the end of the world
Oh, Would you still want me to be your girl
Oh, Would you be my lover
Forgetting all others
Even til the end of the world
Oh, Even til the end of the world
Oh, Would you still want me to be your girl
Oh, Would you be my lover
Forgetting all others
Even til the end of the world
Until the end of time
Forever be my lover
Our hearts will intertwine
And could you be my baby
Protect me from the storm
And I'll love you forever
Just hold me in your arms, arms, arms
Oh, Even til the end of the world
Oh, Would you still want me to be your girl
Oh, Would you be my lover
Forgetting all others
Even til the end of the world
