

# Michelle Wright, A Heartbeat Away

I love you and you say that you love me  
too.

And you come so close but you always stay  
just a heartbeat away.

I look in your eyes and I see that you don't realize  
how I need you to be even closer to me  
than a heartbeat away.

You say o-o-oh that you give me all you can

But someday o-o-oh I know that you'll understand.

There's more to love than what happens when  
two people touch.

And you'll know that it's true 'cause

I'll be there for you.

Just a heartbeat away.

But someday...
