

Michelle Wright, Love Is The Only Way

Forgive, baby can we forget
Let it flow like water
Underneath the bridge
Some days we can be so unkind
Blinded in the minefield
Afraid to move an inch

There's a better way
There is a higher place

CHORUS:

We can keep running in circles
Lost in the hurt and the pain
We can try every road
But at the end of the day
Love is the only way

Right now we can start from right here
Clear the air move forward
Into each other's hearts

There is a path of hope
Beyond this screen of smoke

CHORUS

Love flies like the crow
Straight as the truest arrow
Love will take us by the soul
And lead us, lead us home

We can keep running in circles
Lost in the hurt and the pain
We can try every road
But at the end of the day

CHORUS

Love is the only way

Love is the only way
