

Michelle Wright, Shut Up And Kiss Me

You can talk about it, talk about it
You can do it all night long
Yeah, you can talk about it til you're blue
You can mass communicate, reiterate
But when the morning comes
Will you still not have a clue
Now don't be a hypocrite
I'll get too sick of it
If you're only talking in vain

Shut up and kiss me
Or just shut up
Shut up and kiss me
Or just shut up
Or just shut up

Pacify me don't deny me
Satisfy my primal urge
'Cause you know we'll feel much better when we do
Talk is cheap but love is sweet
Without those words and
Actions speak much louder than they do
My heart is a battleship
Ever so passionate
Take it before it's too late

Shut up and kiss me
Or just shut up
Shut up and kiss me
Or just shut up

Shut up and kiss me, kiss me, kiss me
Or just shut up
Or just shut up

I want to lose myself
Don't you
We've waited so long
For this moment
What feels so right
Is loving you
And your heart is all you need to
Tell you what you have to do

Shut up and kiss me
Or just shut up
Shut up and kiss me
Or just shut up

Shut up and kiss me
Shut up and kiss me
Or just shut up
Just shut up
Just shut up
