Michelle Wright, Shut Up And Kiss Me

You can talk about it, talk about it You can do it all night long Yeah, you can talk about it til you're blue You can mass communicate, reiterate But when the morning comes Will you still not have a clue Now don't be a hypocrite I'll get too sick of it If you're only talking in vain

Shut up and kiss me Or just shut up Shut up and kiss me Or just shut up Or just shut up

Pacify me don't deny me Satisfy my primal urge 'Cause you know we'll feel much better when we do Talk is cheap but love is sweet Without those words and Actions speak much louder than they do My heart is a battleship Ever so passionate Take it before it's too late

Shut up and kiss me Or just shut up Shut up and kiss me Or just shut up

Shut up and kiss me, kiss me, kiss me Or just shut up Or just shut up

I want to lose myself Don't you We've waited so long For this moment What feels so right Is loving you And your heart is all you need to Tell you what you have to do

Shut up and kiss me Or just shut up Shut up and kiss me Or just shut up

Shut up and kiss me Shut up and kiss me Or just shut up Just shut up Just shut up
