

Michelle Wright, Sorry

My heart is haunted by things we never said
There's a distant craving that I'm still trying to forget
Am I drifting endlessly, am I moving to
A resolution of you and me
(Different than I ever thought it would be)

CHORUS:

I feel you walkin' down the same road
I feel you all around me
I hear you, can you hear me
Is it too late to say
I'm so sorry
Sorry
I'm so sorry
Sorry

I still remember our once upon a time
My thoughts are stained with the faded words of a valentine
Will my heart ever be free like the free I knew
Living the love that was you and me
(Missing it's more than I thought it would be)

CHORUS

I'm far enough along
To know where I went wrong
And I'm not afraid to say
I'm not afraid to say

CHORUS
