

# Michelle Wright, Sorry

My heart is haunted by things we never said  
There's a distant craving that I'm still trying to forget  
Am I drifting endlessly, am I moving to  
A resolution of you and me  
(Different than I ever thought it would be)

CHORUS:

I feel you walkin' down the same road  
I feel you all around me  
I hear you, can you hear me  
Is it too late to say  
I'm so sorry  
Sorry  
I'm so sorry  
Sorry

I still remember our once upon a time  
My thoughts are stained with the faded words of a valentine  
Will my heart ever be free like the free I knew  
Living the love that was you and me  
(Missing it's more than I thought it would be)

CHORUS

I'm far enough along  
To know where I went wrong  
And I'm not afraid to say  
I'm not afraid to say

CHORUS
