

# Michelle Wright, Where Do We Go From Here

It used to be so easy then  
We didn't hold back anything  
Love was always sure to win  
Or so we both kept promising  
But how were we to know  
Once time had it's say  
That we would come this close  
To losing our way

Where do we go from here  
How does a heart decide  
Can we turn around before we come  
To where the road divides  
I don't want to lose you  
I don't want these tears  
And we both want back to love  
So where do we go from here

It's time to talk it over now  
Time to face each other honestly  
And maybe we'll remember how we felt  
When the give and take came easily  
As hard as it may be  
To stay and work this through  
I can't imagine me  
In a life without you

Where do we go from here  
How does a heart decide  
Can we turn around before we come  
To where the road divides  
I don't want to lose you  
I don't want these tears  
And we both want back to love  
So where do we go from here

So where do we go from here  
Where do we go from here  
Where do we go from here
