

# Mick Ronson, Angel No..9

Turn around, looks like it's happened one more time  
Something's wrong, I gotta find a reason or rhyme  
But if you find out (if you find out)  
Don't try to tell me 'cause I (tell me who)  
Can't feel anything at all

Tonight you, you got to shine on through  
So I can have it all

If you find lots of other reasons in the year  
Don't tell me I, I think I've had it all  
Way up to here  
But if you find out (if you find out)  
Don't try to tell me 'cause I (tell me who)  
Can't feel anything at all

Some nights you, you gotta shine on through  
So I can have it all, yeah  
But I got to find a reason

To feel the way I do  
But I'm getting kinda tired of pleasin' them  
But I want you here beside me  
Yes I do

So turn around, take a better look  
At what they're tryin' to do to me  
No matter how hard I look  
You know they just can't seem to see  
Well I got to find a reason  
To feel the way I do  
But I'm getting kinda tired of pleasin' them  
But I want you here beside me  
Yes I do  
Yes I do  
Yes I do  
Yes I do  
You bet
