

Mickey Gilley, Fraulein

Far across the blue water
There lives an old German's daughter
By the banks of the old river Rhine
Where I loved her and left her
But I can't forget her
I miss my pretty Fraulein.

Fraulein, Fraulein
Walk down, down by the river
Each night when the stars start to shine
And by the same stars above you
I swear that I love you
You are my pretty Fraulein.

In my moments of glory
A face comes before me
A face of a girl I left behind
Well, I love her and I left her
But I can't forget her
I miss my pretty Fraulein.

Fraulein, Fraulein
Walk down, down by the river
Each night when the stars start to shine
And by the same stars above you
I swear that I love you
You are my pretty Fraulein...
