

Mickey Gilley, That Heart Belongs To Me

There are so many flirty guys with flirty, flirty ways
And I'm so afraid that they will try to steal your heart someday
But don't let 'em darlin', 'cause you belong to me.
Well, please don't ever let them think your heart is fancy free
Don't do it darlin', that heart belongs to me.

They'll tell you that I trifle and that you should do the same
They'll tell you that they need your love so why not make the change
But don't do it darlin', that love belongs to me
Oh, please don't ever let them blind you I love you don't you see
Don't do it darlin', that heart belongs to me.

They'll offer you a mansion ask you if to be their queen
So they'll give you riches, make your life a happy dream
But don't let 'em darlin', that dream belongs to me
Oh, it's true they'll try to buy your love with riches such as these
But don't let 'em darlin' that heart belongs to me...
