

# Mickey Gilley, Together Again

Together again  
My tears have stopped falling  
Long lonely nights  
Are now at an end.

The key to my heart  
You hold in your hand  
And nothing else matters  
We're together again.

Together again  
The gray skies are gone  
And you're back in my arms  
Honey, where you belong.

The love we once knew  
Is living again  
And nothing else matters  
We're together again.

--- Instrumental ---

Together again  
All the gray skies are gone  
And you're back in my arms  
Honey, where you belong.

The love we once knew  
Is living again  
And nothing else matters  
We're together again.

Well, nothing else matters  
We're together again...
