## Mickey Gilley, You Don't Know Me

You give your hand to me And then you say, "Hello." And I can hardly speak My heart is beating so. And anyone can tell You think you know me well But you don't know me.

No you don't know the one Who dreams of you at night And longs to kiss your lips And longs to hold you tight. To you I'm just a friend That's all I've ever been You don't know me

## Chorus:

For I never knew the art of making love Though my heart aches with love for you Afraid and shy I let my chance go by The chance that you might love me too.

You give your hand to me And then you say goodby I watch you walk away Beside that lucky guy You'll never, never know The one that loves you so You don't know me.

## Chorus:

I never knew the art of making love Though my heart aches with love for you Afraid and shy I let my chance go by The chance that you might have loved me too.

You give your hand to me And then you say goodby I watch you walk away Beside that lucky guy You'll never, never know The one that loves you so You don't know me.

You'll never, never know The one that loves you so You don't know me...
