

Mickey Graham, You're My Angel

I find my way from the darkness, after all this time
Now I see your smiling face, looking back at mine
I was always told that, love can be blind
Now I understand that, love can be kind

Chorus 1x:

'Cause you're my angel, gotta make you see
I'm the one for you, you're the one for me
'Cause you're my angel, gotta let you know
That now I found you, i'm never letting go
'Cause you're my angel

At times I meant it, i'm weak or in despair
But it's enough to know that, you were always there
And I love you 'cause you can see inside my soul
You bring me comfort when i'm standing all alone

Chorus 1x

I was always told that, love can be blind
Now I understand that, love can be kind

Chorus 2x
