

Mickey Harte, Without You

I can see the writings on the wall
But it still don't make no sense at all
Takes a lot of getting used to
Not having you to hold on to

But I guess I'll make it through this town
Guess I'll have to make it through somehow
Without you x4

It's a lesson, one I wont forget
A big mistake, it's the one thing I regret,
And I stand corrected, for ive done wrong
Guess that I neglected you, all along

But I guess I'll make it through this town
Guess I'll have to make it through somehow
Without you x8

Without you, ill make it through this town,
I'm gonna make it through somehow,
Ill stand up on my own
Without you
You know ill make it through this town,
You know ill make it through somehow,
And ill stand here on my own,
Without you.
