

# Mickey's Bitch, Wolfman

Walking down an unclear path,  
In search of anything to fill my life,  
So far i've only found trouble,  
But that does not mean that I am beaten.

Wolfman,  
Darkness and Chaos are my future.  
Wolfman,  
My hunger will be your downfall.  
Wolfman,  
The rise of the full moon in the sky.  
Wolfman,  
Wolfman.

The call of the angry mob,  
They shout aloud,  
I do not answer them back,  
But not a second till they feel my wrath.

Wolfman,  
Darkness and Chaos are my future.  
Wolfman,  
My hunger will be your downfall.  
Wolfman,  
The rise of the full moon in the sky.  
Wolfman,  
Wolfman.
