

Microbunny, Merciful and Quick

Lyrics by Tamara Williamson

Im tired and I want to go
So close my eyes
Close
To close my eyes
Im tired and I want to get away from here
And now I want to go
Youre talking worlds away
Youre talking so much I cant hear a word you say
Just so gentle sometimes
But not today
Im tired and Ill have to go
Just send someone in to take me away from here
And now I need to go ... to go ... to go ...
Send someone out
Send someone in to be the one to tell me
That this thing is happening
Its over and I want to go
So send someone down
Send someone in
Its cold in here
Im freezing and Im sick of this
And I just really want to go
Send someone in
Tired ...
