

Midget Fan Club, I lost My Beer

I lost my beer
now I look sad
cause it was the greatest beer I ever had

I lost my beer
how can it be?
somewhere out there, there's a beer thinkin it's lost me

maybe I left it in the car
but I won't get very far
from here

I lost my beer

I lost my beer
when it was full
and losing brand new beers isn't cool

I lost my beer
in the war
now I wonder what I'm fighting for

later we'll go to dick cheneys place
and shoot some people in the face
but not here

I lost my beer
