

Midnight Oil, Sometimes

I know that the sunset empire shudders and shakes
I know there's a floodgate and a raging river
I say the silence of the ribbons of iron and steel
I say hear the punch drunk huddle drive hammer and steel

Sometimes you're beaten to the call
Sometimes you're taken to the wall
But you don't give in

I know that the cannibals wear smart suits and ties
I know they arm wrestle on the altar
I say don't leave your heart in a hard place

Sometimes you're shaken to the core
Sometimes the face is gonna fall
But you don't give in
