

# Midnight Panic, I miss you

I dont want to be here  
Theres no place like home  
Were miles apart, Im torn  
The absence makes my heart grow fonder baby  
I miss your warm embrace  
I miss you so much (i miss you so much)  
I wish you could be next to me  
I miss you so much (i miss you so much)  
You fill the void inside of me  
A world away from me  
Hearts can also beat  
Weve all been torn apart  
Cause I will trust my heart  
The absence makes my heart grow fonder baby  
I miss your warm embrace  
I miss you so much (i miss you so much)  
I wish you could be next to me  
I miss you so much (i miss you so much)  
You fill the void inside of me  
I miss you so much (i miss you so much)  
I wish you could be next to me  
I miss you so much (i miss you so much)  
You fill the void inside of me  
I miss you so much (i miss you so much)  
I wish you could be next to me  
I miss you so much (i miss you so much)
