

Midnight Panic, I miss you

I dont want to be here
Theres no place like home
Were miles apart, Im torn
The absence makes my heart grow fonder baby
I miss your warm embrace
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me
A world away from me
Hearts can also beat
Weve all been torn apart
Cause I will trust my heart
The absence makes my heart grow fonder baby
I miss your warm embrace
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
