

Midnight Panic, Miss You

I don't want to be here
There's no place like home
We're miles apart, I'm torn

The absence makes my heart grow fonder baby
I miss your warm embrace
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me

A world away from me
Hearts can also beat
We've all been torn apart
Cause I will trust my heart

The absence makes my heart grow fonder baby
I miss your warm embrace
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me

I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
