Midnight Panic, Miss You

I don't want to be here There's no place like home We're miles apart, I'm torn

The absence makes my heart grow fonder baby I miss your warm embrace I miss you so much (i miss you so much) I wish you could be next to me I miss you so much (i miss you so much) You fill the void inside of me

A world away from me Hearts can also beat We've all been torn apart Cause I will trust my heart

The absence makes my heart grow fonder baby I miss your warm embrace I miss you so much (i miss you so much) I wish you could be next to me I miss you so much (i miss you so much) You fill the void inside of me

I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
You fill the void inside of me
I miss you so much (i miss you so much)
I wish you could be next to me
I miss you so much (i miss you so much)
