Whoa yeah oh whoa oh whoa

Yeah ring out a chant yeah yeah  
Ring out a chant come Ithiopia  
Upon the fireside flute  
Of a mountain range  
Ring out a chant for the strong-hearted soldier  
Steadfast upon the king I hail  
Steadfast upon the king I hail ay yeah

Whoa now water to the earth is sex fecundation  
I have summarized their test  
Sumeria of summer driving deep syncopation  
The vehicle of your joy draw near  
Rasta fari controlling the size of the distance  
Bun fire from way back when over there  
From way back when over there  
From way back when over there Ithiopia  
Ithiopia yeah

Ring out a chant Ithiopia  
Upon the fireside flute  
Of a mountain range  
Ring out a chant for the strong-hearted soldier  
Steadfast upon the king I hail

All thirteen ganja heavens are of earth  
High spin mid air middle ear  
Most decisive analytical twin  
Is wear and tear yeah yeah  
Within the blessed ambition of the youth  
I prevail yeah whoa

Fed up with feeding into some whorish crapo  
Go away from ya so maggot fly larvae throne  
Unequivocally come on ya so fe bun down Rome  
That one deviant from a moral example  
He is Sodom stone, he is Sodom stone, he is Sodom stone  
Yeah

Ring out a chant come Ithiopia  
Upon the fireside flute  
Of a mountain range  
Ring out a chant for the strong-hearted soldier  
Steadfast upon the king I hail  
Haile Selassie I I hail  
Steadfast upon the king I hail ay
