The evening look like morning
I hope you will be coming soon
You keep the seasons waiting for you
Southeastern moon
You make I remember late night rendezvous
Youthful maters of the heart about who belongs to who
You just in time for I I and I
To bubble a late night yaba pot
By ocean side you just in time for I I and I
To blaze up the chillum ya rasta fari sanctify

Yeah down by the ganges
Rasta fari camping
Down in a the gully
Rasta fari skanking
Give I lthiopia Simeon Mountain
Zion ah I waterfall I fountain
Zion ah I waterfall I fountain

Yeah green trees over silver water region
With a life time smell of sensemilla
In a crystal clear Zion water

All that in a Africa
All that in a Africa
