

Midnite, You Make Me Feel

Ah hm highest regards in eye sight

Mostly all good you mek I feel
You mek I feel, you mek I feel
Good all over, good all over

You mek I feel good all over yeah
Stuck wid I through real hard times and maybe
I didn't always do you right but yeah
I love you deep in my heart and you know
You're the queen of I heart yeah

There is one thing I love about you
Neva have to worry
The woman prove herself to be trust worthy
I ah when you want what ever come
Whatever come, what ever come,
When you want, what ever come what ever come
Good good yeah she's good good good good yeah

Necessary like balance she
Sun up and shady sun down fe me
Sailing in all aspects of buoyancy
It pleasing in I sight from results I see
First it was two then three
First it was two then three

She unlock her door she give I the key
I unlock I door I give her the key aye
When you want what ever come
What ever come, what ever come
When you want what ever come
What ever come, what ever come

You mek I feel you make I feel
You mek I feel good all over
Good all over yeah
Whoa hm I'm saying necessary like balance

Necessary like balance she
Sun up and shady sun down fe me
Sailing in all aspects of buoyancy
It pleasing in I sight from results I see
First it was two then three
First it was two then yeah

I'm saying when you want whatever come
Whatever come ever come
When you want whatever come whatever come
Whatever come
Good good yeah good yeah
Hey ee good good yeah yeah

You mek I feel good all over
Yeah stuck with I through real hard times
And maybe I didn't always treat you right
But baby I love you
In my heart and you know
you are the Queen of I heart
The Queen of I heart
