

Mietek Szcześniak, Build That Boat

God said:

"You'd better get out of this town
It's all over now
I'm gonna tear it down
I'm gonna break it down
I'm gonna start it all again
Because the world will drown in the rain"

Make this float
Go on sail away
Into a brand new day of hope

You gotta build that boat
You gotta build that boat

Last night i heard something
It was across the sea
"I came to tell you that you're going with me
You're gonna go with me
One woman and one man"
That's how it's meant to be
That's in His plan

I don't know why
Why it's me and you
Whatever we go through I know

We gotta build that boat
We gotta build that boat

You're gonna go with me
One woman and one man
That's how it's meant to be
That's in His plan

One woman and one man
That's how it's meant to be
That's in His plan

I don't know why
Why it's me and you
Whatever we go through
I know, I know

We gotta build that boat, yes we got!
We gotta build that boat, yeah
We gotta build that boat
We gotta build that boat,
We gotta build that boat
