

Migos, Young Thug, Travis Scott, Give No Fxk

we don't give no fuck
we don't give no fuck
we don't give no fuck
we don't give no fuck
out in public
and we rush it
out in public
and we rush it, get right

I got too man diamonds on I looke awesome
after I hit that hoe she need a walker
I done shipped them problems off
now I am bossin'
stack the money tall
back to ballin'

big boy rolls
swerve the lane
I be hoggin'
lit four blunts of cookie monster its foggy
I pan park it stick be sparkin' do no talkin'
watch me hit the target murk the carpet then depart it

we don't give 2 fucks
choppas hangin out the rolls Royce truck
go play whit your kid cause I up
she broke so why would I cuff
we rich lit
we 'bout ot up to space
go toilet I took me a rich shit
cause I have racks on my plate

I make you go get the bag
baby we livin' the dream
gang not comin' in last
top ranked in loyalty
this millionaire campaign that's what its supposed to be

we don't give no fuck
we don't give no fuck
we don't give no fuck
we don't give no fuck
out in public
and we rush it
out in public
and we rush it

I got too man diamonds on I looke awesome
after I hit that hoe she need a walker
I done shipped them problems off
now I am bossin'
stack the money tall
back to ballin'

said get it
split it
drop top rolls
machete
no confetti
bitch too petty
big machete
I got a dead it
we don't give no fuck
we don't give no fuck

give her a couple bucks
get a tummy tuck
20 bills in my clothes
I got a bulletproof truck
I got a Backwood
stores od the runts
give no fuck

we don't give no fuck
we don't give no fuck
we don't give no fuck
we don't give no fuck
out in public
and we rush it
out in public
and we rush it

I got too man diamonds on I looke awesome
after I hit that hoe she need a walker
I done shipped them problems off
now I am bossin'
stack the money tall
back to ballin'

I done been round whole globe
and did a few laps
and brought back a whole tide
she done spent time in the hood
and found nothing else is better than that side
I done went set up the Jack
and made sure the pack
and got it pushed past fine
stuck at the top of the chain
and top f her brain
can't fall off it on time
all my diamonds say
how we live outrageous
we don't count the days
we just count the payments
let that Juvi play
she start rejuvenating
alive and mediate
everything we facing

we don't give no fuck
we don't give no fuck
we don't give no fuck
we don't give no fuck
out in public
and we rush it
out in public
and we rush it

I got too man diamonds on I looke awesome
after I hit that hoe she need a walker
I done shipped them problems off
now I am bossin'
stack the money tall
back to ballin'
