

# Miguel Bose, Catch The Season

Daily writers  
Does your contribution say?  
Writers, fighters  
Can you show compassion?  
Lover, mother  
Of the evolution age  
Of a father  
To the revolution

I want to pray for wisdom  
In my Western home  
I want to be where you are, oh...

Winter and Summer, a change in the air  
After the storm has arrested who's there  
Autum and Springtime attempted escape  
Catch the season, ohoh...  
Winter and Summer, a change in the air  
After the storm has arrested who's there  
Autum and Springtime attempted escape  
Catch the season, ohoh...  
Oh, they go! Oh...  
Oh, they go! Oh...

Terror rising  
Is it super nature's way?  
Understanding of the constitution

I need to pray for wisdom  
In our Western homes  
We need to be together, oh...

Winter and Summer, a change in the air  
After the storm has arrested who's there  
Autum and Springtime attempted escape  
Catch the season, ohoh...

Catch the season, ohoh...  
Oh, they go! Oh...  
Oh, they go! Oh...

I want to be in the twilight of day  
Tonight, today  
To take a moment away...

Catch the season, ohoh...
