

# Miguel Bose, Fin De La Historia

Can you feel it? Can you hear it?  
Every beat of my heart  
Can't control it since you stole it  
I know we're going far

"(Chorus)"

If it takes me all night  
Gonna make you feel right  
Gonna see some daylight  
If it takes all night  
Gonna take you higher  
Set your heart on fire  
Gonna make you all mine  
I'm gonna getcha

Sweet sweet music, sweet sweet music  
Sweet as I've ever known  
Sweet attraction, satisfaction  
I'm not leaving alone

"(Repeat chorus)"

I love everything you do  
I've been waiting and watching you  
Can't you see if it's good for me  
It must be good for you too? Hey!

"(Repeat chorus)"

I'm gonna getcha, I'm gonna getcha  
I'm gonna getcha, I'm gonna getcha  
Getcha.. getcha...  
I'm gonna getcha, I'm gonna getcha  
Getcha...  
I'm gonna getcha, I'm gonna getcha  
Getcha.. getcha... getcha...  
I'm gonna getcha, I'm gonna getcha
