

Miguel Bose, Seventeen

First time I saw her, I said to myself
"Baby, take it easy or you'll lose your head".
You couldn't miss her, I was amazed
Such a sexy body, such a lovely face.

Say hey!
Ahaha!
She's all right, all right!
Say hey!
Ahaha!
She's all right!!!

“(Chorus)”
She's just seventeen, you know what I mean
She's got everything that a woman needs
She's just seventeen, you know what I mean
She's got everything that a woman needs

Say hey!
Ahaha!
She's all right, all right!
Say hey!
Ahaha!
She's all right!!!

First time I saw her, I said to myself
"Baby, take it easy or you'll lose your head".
You couldn't miss her, I was amazed
Such a sexy body, such a lovely face.

She was outrageous, dancing alone
Went up and joined her, we danced all night long...
