

Miguel Bose, Vote Johnny 23

He is twenty-three
The one you'd like to be
Nice and sporty, about six,three
Clever and quick.

Boy, you've got a friend
A golden fist in fight
He'll give us what we had and lost
He is the light!

Babe, come on and try
And let him hold you tight
Strong and tender, he'll touch your skin
Do it tonight!
