

Miguel Bose, Yes Ma'am

Yes ma'am I'm in love
I'm in love with your daughter
There is something about us you must know
Our love will make her stronger
So we can't wait
Can't wait any longer

Yes ma'am I'm in love
I'm in love with your daughter
And I want her to share a dream with me
So I'm here to stay
That I can't wait
Can't wait any longer

Please understand me
Help me, I love her
I need her desperately
Oh ma'am, yes ma'am...

Yes ma'am I'm in love
I'm in love with your daughter
There is something about us you must know
Our love will make her stronger
So we can't wait
Can't wait any longer

Please understand me
Help me, I love her
I need her desperately
Oh yes
Yes ma'am
Oh please!
