

# Miguel, Kaleidoscope Dream

I taste you infinite colors  
Collide in a fountain.  
I missed all the lovers,  
Kaleidoscope dream /6x  
Dreaming you, imagine a feel of red lights  
They flicker them flashes  
It draws you electric,  
Kaleidoscope dream /6x  
Oh oh, dream  
Oh oh, close your eyes  
Oh oh, reach high  
Taste the sky  
Just hold my hand  
And close the Moon then hold to fly  
You're safe with me, you're safe with me.  
Yeah, body language like piano king,  
Allow me to provoke them  
Like you sing a melody  
Every single stroke babe.  
As I kiss your third eye  
Bet you're gonna scream.  
Only you can be my Kaleidoscope dream.  
Kaleidoscope dream (dream dream dream)  
Kaleidoscope dream (dream dream dream)  
Kaleidoscope dream (dream dream dream)  
All these alien illusions of the? of amusement  
Like them stars fall from the sky  
Kaleidoscope dream /6x  
Yeah.  
Body language like piano king,  
Allow me to provoke them  
Like you sing a melody  
Every single stroke babe.  
As I kiss your third eye  
Bet you're gonna scream.  
Only you can be my Kaleidoscope dream.  
Kaleidoscope dream (dream dream dream)  
Kaleidoscope dream (dream dream dream)  
Kaleidoscope dream (dream dream dream).  
Oh oh, reach high  
Taste the sky  
Just hold my hand  
And close the Moon then hold to fly  
You're safe with me, you're safe with me.  
Kaleidoscope dream (dream dream dream).
