

# Miguel, Sure Thing

Love you like a brother  
Treat you like a friend  
Respect you like a lover  
Oh, oh, oh, oh, oh, oh  
You could bet that, never gotta sweat that (oh, oh, oh, oh, oh)  
You could bet that, never gotta sweat that (yeah, yeah, yeah)  
You could bet that, never gotta sweat that  
You could bet that, never gotta sweat that (yeah)  
If you be the cash  
I'll be the rubber band  
You be the match  
I will be a fuse, boom  
Painter, baby, you could be the muse  
I'm the reporter, baby, you could be the news  
'Cause you're the cigarette and I'm the smoker  
We raise a bet 'cause you're the joker  
Checked off, you are the chalk  
And I can be the blackboard  
You can be the talk  
And I can be the walk, yeah  
Even when the sky comes falling  
Even when the sun don't shine  
I got faith in you and I  
So put your pretty little hand in mine  
Even when we're down to the wire, babe  
Even when it's do or die  
We could do it, baby, simple and plain  
'Cause this love is a sure thing  
You could bet that, never gotta sweat that (yeah, yeah, yeah)  
You could bet that, never gotta sweat that  
You could bet that, never gotta sweat that  
You could bet that, never gotta sweat that  
You could be the lover, I'll be the fighter, babe  
If I'm the blunt (uh), you could be the lighter, babe  
Fire it up  
Writer, baby, you could be the quote, yeah (uh)  
If I'm the lyric, baby, you could be the note (uh), record that  
Saint I'm a sinner (uh), prize I'm a winner (uh)  
And it's you, what did I do to deserve that?  
Paper, baby, I'll be the pen  
Say that I'm the one 'cause you are a ten  
Real and not pretend  
Even when the sky comes falling (yeah, yeah, yeah, yeah, yeah)  
Even when the sun don't shine (yeah)  
I got faith in you and I  
So put your pretty little hand in mine  
Even when we're (you could bet that, never gotta sweat that)  
Down to the wire, baby  
Even when it's do or die (you could bet that, never gotta sweat that)  
(You could bet that, never gotta sweat that)  
We could do it baby, simple and plain  
(You could bet that, never gotta sweat that)  
'Cause this love is a sure thing  
Uh, now rock with me, baby  
Let me hold you in my arms  
Talk with me babe, yeah, yeah  
Uh, now rock with me baby  
Let me hold you in my arms  
Talk with me babe, yeah, yeah  
This love between you and I is simple as pie, baby  
Yeah, it's such a sure thing (it's such a sure thing)  
Oh, it's such a sure thing (it's such a sure thing)  
Even when (you could bet that, never gotta sweat that)  
The sky comes falling

Even when (you could bet that, never gotta sweat that)  
The sun don't shine  
(You could bet that, never gotta sweat that)  
I got faith in you and I  
So put your pretty little hand in mine (you could bet that, never gotta sweat that)  
Even when (you could bet that, never gotta sweat that)  
We're down to the wire, babe  
Even when (you could bet that, never gotta sweat that)  
It's do or die (you could bet that, never gotta sweat that)  
We could do it, baby, simple and plain  
(You could bet that, never gotta sweat that)  
'Cause this love is a sure thing  
Love you like a brother (you could bet that, never gotta sweat that)  
Treat you like a friend (you could bet that, never gotta sweat that)  
Respect you like a lover (you could bet that, never gotta sweat that)  
Oh, oh, oh, oh, oh, oh
