

Mika, I'm falling

I'm sitting across from You
I'm watching everything You do
You don't know, You don't know me, at all
My head is above the cloud
Sun rising, they don't meet mine
But I'm dreaming, I'm dreaming of You now
If I told You what would You do?
Would You make me look like a fool?
I'm falling in love with You
and I'm dreaming of the things we'd do
but You don't know, You don't know me, at all
Full fear of what You might do
I say nothing, but I look at You
and my heart is, my heart is, over You
What I am suppose to do?
Would You make me look like a fool?
I'm sitting across from You
You don't know just what I do
But I'm dreaming, I'm dreaming of You now
I'm falling in love with You
but You're dreaming of what I do
When I'm falling
I'm falling over now
